Key Features

Lumbar Bar Support

This feature targets and relieves the lower back as well as stomach cramping and gastric reflux.

Mobile App Remote

Can't find your remote? Download our free remote app on the Apple and Google Play Store!

Independent Head Tilt

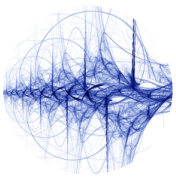
Say goodbye to heavy snoring. This feature keeps your airway unobstructed and offers additional neck support.

Customisable Legs

Our legs can be unscrewed and varied to five different heights: 20cm, 18cm, 13, 5cm or 2.5cm!

Non-slip Mattress

Our second generation Galaxy Bed Base features side bars and micro-grip for a safe and secure mattress.



Whole Body Vibration

Drift away into deep sleep with whole body vibration therapy. Choose high, medium or low intensity and 20m timer.
